CELEBRATING OUR STUDENTS

We are so proud of our students as they continue to shine. This month Weledeh Catholic School students won \$2000.00 and the 2011 Drop the Pop Award along with six other NWT schools. Our Student Nutrition Ambassadors also won a Leadership Award, awarded by Minister Lafferty and Minister Miltenberger, for promoting healthy lifestyles in their school. They also were one of two schools who were asked to showcase to other organizations their work in health promotion. As well they will be on the NWT website as part of the launch of the New NT Healthy Logo and Policy for the North. The ambassadors demonstrated their interactive whiteboard lesson and Readers Theatre on Happily Ever Active.

God Bless,

Claudia Parker, Superintendent
Yellowknife Catholic Schools
