Subject: COVID-19 PLANNING

To: Parents/Guardians, Staff, and Students;

Yellowknife Education Bodies are taking a proactive approach in addressing the COVID-19 pandemic issues for schools. This includes the development of a written Pandemic Action Plan.

We are working closely with GNWT education and health officials to learn and remain apprised of the most up-to-date information as it becomes available. We are coordinating our efforts with other agencies involved in pandemic planning and we will continue to monitor the situation so that we are able to efficiently respond to any changes.

We will provide you with updates as they become available through our social media, websites, email systems, and media as appropriate.

Should you have any questions or concerns, please email [yk1@yk1.nt.ca](mailto:yk1@yk1.nt.ca)

Thank you,
